LIFE AND ACCIDENT POLICIES AT COST

JOHN H. MEECH. PRESENT.
LEOFOLD MARCUS, VICE-PRESENT.
WM, H. ALBRO, SECRETARY AND TREASURER
DR. WM. H. SLACER, MEDICAL DIRECTOR
R. W. WOLFFSOHN, SUPERINTENDENT OF AGENCIES
L. W. MARCUS; ATTORNEY

The Protective Life Assurance Society

Offers to those desiring safe and economical Life or Accident Insurance a choice between three forms of policy. The one being a combined life and accident policy, Division B, upon preferred risks only, carrying a weekly accident indemnity of five dollars per thousand dollars of life insurance, and the other being a straight life insurance policy, Division A, differing from the combined policy as to the accident indemnity only.

Both these policies insure against death from any cause.

The third being an accident policy, insuring against accident only.

On policies, Divisions A and B, the Society provides for a Reserve or Emergency Fund of twenty-five per cent of the mortnery premiums, which fund is to be used only in payment of death claims in excess of the six Premiums or Assessments per year, thus limiting the number of premiums and fixing definitely the cost of the insurance.

At the maturity of a policy by the death of the insured, all of his contributions to the Reserve Fund, which have not been required to carry the insurance, shall be added to the face of the policy and paid to the beneficiaries thereunder.

THE FIRST PAYMENT

On secident policies (Division C), which must accompany the application is \$5.00, which amount will carry the policy for thirty (30) days. Thereafter, \$12.00 per annum, payable quarterly; first payment to be made one month from date of policy.
